

Digital Photo Frame

Features

128 MB Built-In Memory

128 MB is able to hold as many as 85 pictures.

Colour Enhancement

Colour enhancement allows you to enhance the colour contrast of the pictures making them look more realistic and colourful.

Auto Slide Show

AOC's digital photo frame has an auto slideshow function so you will not have to set the slideshow up yourself!

Wall Mountable

Wall mountable function is great for displaying your pictures up high on the wall.

Calendar and Clock Function

Excellent function if you want to turn off the slideshow but still make use of the digital photo frame.

Stretchable Stand

Allows you to adjust the angle at which the photo frame is viewed.

Remote Control Pocket

You won't lose the remote control with a pocket right on the digital photo frame.

Interchangeable Frame

Tired of the old looks of your digital photo frame? Change the frame to a complete new look!
