

Flicker Free Display

CRT TV

LCD TV

The flicker free, eye-friendly LCD television allows enjoyment of TV viewing for long periods without eye strain. Generation of harmful electromagnetic waves and ultraviolet light are also reduced.

HDMI: No Signal Loss

HDMI digital input provides easy connection, with pure digital audio and video in one cable. Long-term compatibility ensures you'll continue to enjoy high-definition entertainment.

Ultimate Visual Sensation

Non-HD Signal

HDTV Signal

The screen boasts breathtaking colour purity and a high definition, capable of receiving a high definition television signal with an HDTV receiver.
